ARE REPLYING ELECTRONICALLY. The Public Health Emergency has shone a harsh light on inequity and food insecurity in our community. Coming from India I had always seen the ugly face of hunger in people. But it was a shock to see it in the United States. This country has given us a wonderful life and this community has been home for 16 years. We are trying to give back. There is no better place than the Food Bank. Hence, I am applying to sit on the Board of Directors of the Food Bank of Northern Nevada. Thank you for your consideration.

Again, many thanks for your interest and support. If you have any specific questions about this process or about the Food Bank of Northern Nevada, please contact the Food Bank at 775-331-3663.
