2026 PARTNER AGENCY CONFERENCE

FRIDAY, OCTOBER 9 AT ATLANTIS

Strengthening Partnerships. Centering dignity. Putting hope on the table.

This year's Partner Agency Conference is rooted in a powerful call to action: to strengthen and support the Food Bank of Northern Nevada's network of 140 partner agencies and 40 school-based food pantries.

As we continue to navigate a changing landscape of need, resources, and resilience, one thing remains true: **we are strongest when we come together**. This annual gathering is a day dedicated to connection, collaboration, and shared learning across the incredible network that nourishes our communities.
